

EXPRESSION OF INTEREST

GUIDELINES FOR SERVICE PROVIDER ORGANIZATIONS

Please address the following questions in your expression of interest, which can be submitted via the [online application form](#) by **September 15, 2020**.

Answering the questions below will help the Pier Labs team to understand both the strengths and gaps across the service providers who express interest in partnering on the AspireAtlantic project. Having extensive experience with sector-based employment models and evidence-based programs is not a requirement. Please feel free to include any other information you think we should know.

- 1) Describe your organization's interest and motivation in participating in the AspireAtlantic demonstration study. (250 words max)
- 2) Describe why your organization's target population is appropriate for the AspireAtlantic program. Which parts of the WorkAdvance model would be well-suited to the population your organization serves? Which parts would need to be adapted? (200 words max)
- 3) Describe your organization's experience in delivering a program similar to WorkAdvance or any of the five core components of the WorkAdvance model. (300 words max)
- 4) What existing relationships do you have that could be leveraged to implement AspireAtlantic (e.g., sectors/industries, employers, training institutions, other community groups)? (200 words max)

- 6) Describe your organization's familiarity, if any, with evidence-based programs and practices, including program evaluations. (100 words max)
